

Invitation to Exhibit

ESHG 2026

EUROPEAN SOCIETY OF HUMAN GENETICS

13 – 16 June, 2026, Gothenburg, Sweden

ESHG 2025, Milan, Italy – Statistics

Below some statistics of the ESHG 2025 conference based on registration data.

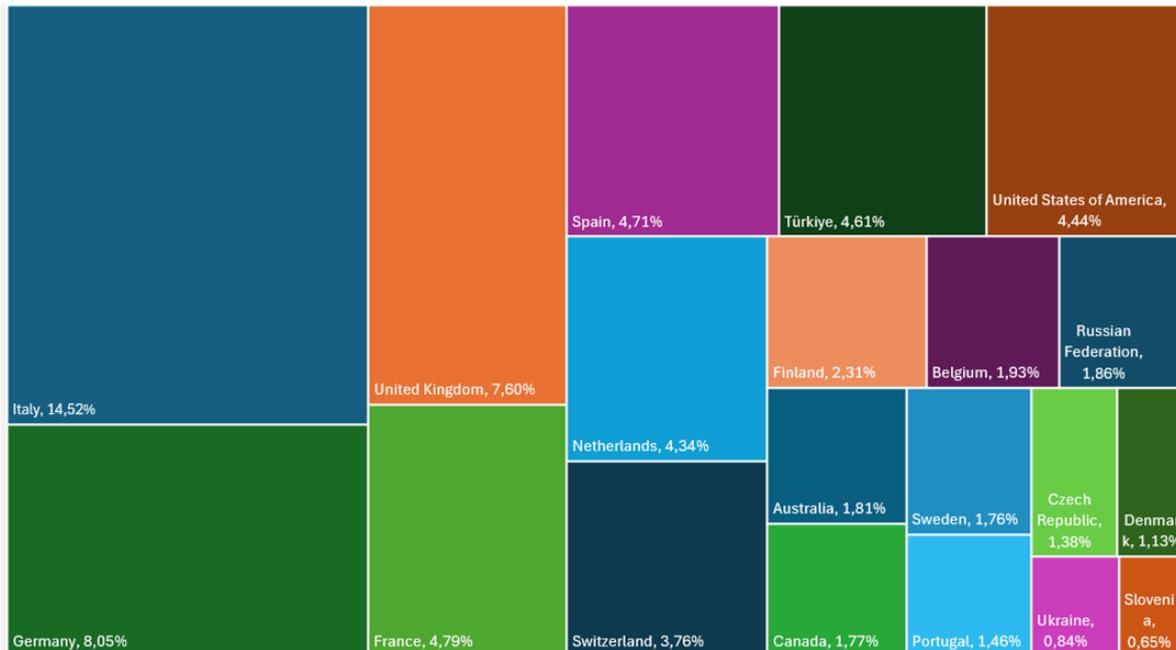

Registrations

Onsite 5.651: 4.523 regular participants, 470 industry participants with access to exhibition only, 658 industry participants with full access

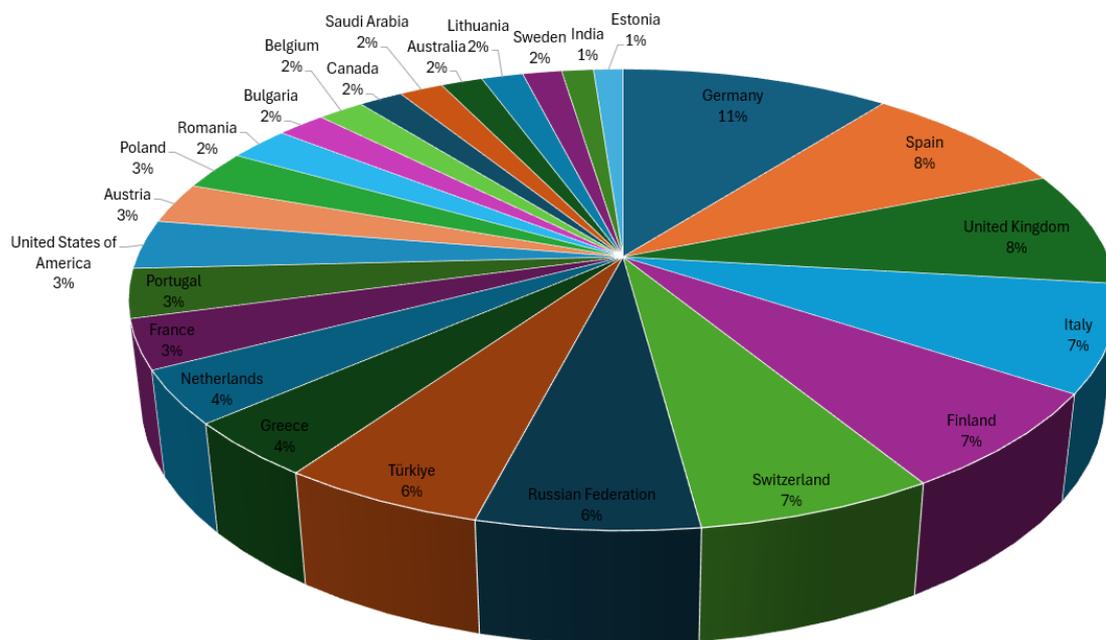

Online 1.262: 1.230 online regular participants

Total 6.913 From over 94 countries

Top 20 Countries Registrations

Top 25 Countries Online Only Registrations

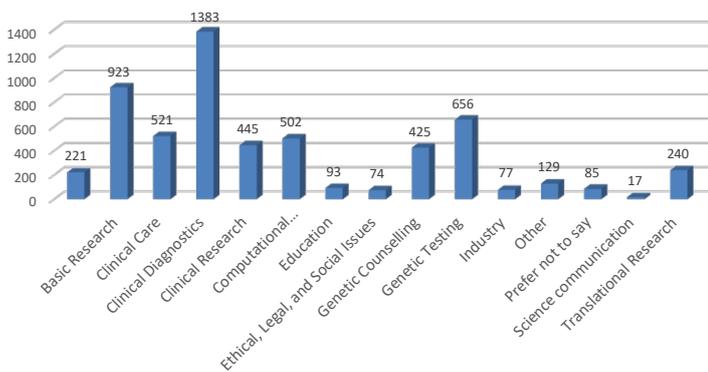

Highest Degree and Years in Genetics

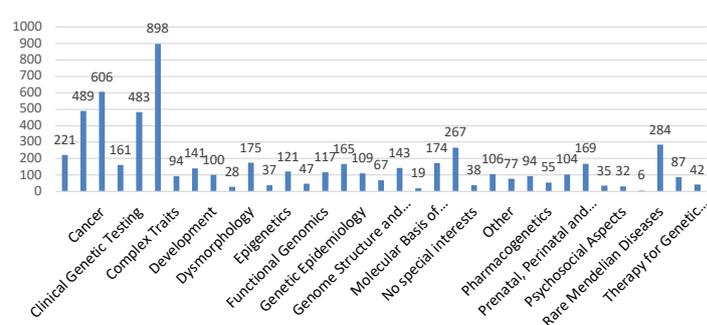

Highest Degree	
1. PhD	37% (2024: 26,4%)
2. MSc/MA	19% (2024: 15%)
3. MD	19% (2024: 13,9%)
4. MD/PhD	11% (2024: 9%)
5. Other	4% (2024: 4,2%)
6. BSc/BA	3% (2024: 3,9%)
7. Undergraduate Student	2%

Years in Genetics	
< 5 years	32% (2024: 24,3%)
5-10 years	20% (2024: 16,8%)
11-15 years	13% (2024: 14,7%)
> 15 years	31% (2024: 17,5%)

Current Activity

Primary Interest

Visitors

The expected conference delegates (over 4000) will have free access to the exhibition. Among the delegates will be researchers in all aspects of human genetics including molecular genetics, cytogenetics, biochemical genetics, gene therapy, genomics and bioinformatics; clinicians and counselors involved in all clinical specialties, particularly clinical geneticists, paediatricians, oncologists, haematologists, and neurologists; and scientists providing diagnostic services in molecular genetics, cytogenetics and oncology. Delegates come from all over the world.

Conference Topics

The conference will cover all aspects of human genetics, from the cutting edge of research into the human genome and individual genetic or chromosomal conditions, right through to the practical issues of organising genetic services to deliver the benefits of this knowledge to our populations. Topics include:

- Array technology
- Bioinformatics, Machine Learning and Statistical Methods
- Cancer genetics
- Clinical genetics
- Cardiovascular genetics
- Cytogenetics, including molecular cytogenetics
- Developmental genetics
- Education on genetics
- Epigenetics
- Ethical, legal and psychosocial implications of genetic medicine
- Expression profiling
- Functional genomics
- Gene therapy
- Gene-environment interactions including pharmacogenetics
- Genetic counseling
- Genetic diagnostics
- Genetic Epidemiology and Mendelian Randomisation
- Genetic variation of normal traits
- Genetics of ageing
- Genetics of complex disorders
- Genetics of model organisms and application to human disease
- Genome architecture
- Genome mapping technologies
- Genome-wide association studies
- Genomics data science including artificial intelligence
- Human genome variation and structure
- Immunology and hematopoietic system
- Inborn errors of metabolism
- Inborn errors of immunity
- Intellectual Disability
- Internal Organs and Endocrinology (Lung, Kidney, Liver, Gastrointestinal)
- Large scale genomics (GWAS) and other -omics association studies
- Long-read sequencing
- Metabolic and Mitochondrial Disorders
- Molecular and cell biology approaches to gene function
- Molecular pathology of human diseases
- Neuropsychiatric genetics
- Neurogenetic and Psychiatric Disorders
- Neuromuscular Disorders
- Next-generation sequencing
- Organisation of genetic services
- Personalized health
- Pharmacogenomics and Drug Repurposing
- Population Genetics and Evolutionary Genetics
- Prenatal diagnosis and predictive testing
- Proteomics
- Precision medicine
- Quality in genetic testing (accreditation/certification of laboratory and clinical services; introduction and validation of laboratory tests)
- Rare disease genetics
- Reproductive medicine
- Sensory disorders (eye, ear, pain, etc.)
- Skeletal, Connective Tissue, Ectodermal and Skin Disorders
- Single cell analysis
- Spatial genomics and transcriptomics
- Treatments for genetic disorders, including therapeutic cloning and use of stem cells
- Therapy for rare diseases, including antisense oligonucleotide (ASO) therapy
- Whole genome sequencing

Integration of Conference, Exhibition and Scientific Posters

Both the conference and the exhibition will be held at the Svenska Mässan - the Swedish Exhibition & Congress Centre. The exhibition and the scientific posters will be fully integrated in Hall B. As always with the ESHG conferences, the coffee terraces and cash bar will be located in the exhibition/poster areas.

Conference & Exhibition Dates

Conference 13 – 16 June 2026 Saturday – Tuesday
 Exhibition & Poster viewing 13 – 15 June 2026 Saturday – **Monday**

Timetable (exact times to be announced in the Exhibitor Manual)

Thursday 11 June Build up of standard stand construction by stand contractor
 Build up of design stands (exhibitors' own stands)
 No access for exhibitors with standard stand construction

Friday	12 June	Moving in of exhibits by all exhibitors (standard stands and design stands)
Saturday	13 June	Exhibition open all day Conference Opening Ceremony at 13.40 CEST Opening Networking Mixer (exhibitors are invited) at 20.00 CEST
Sunday	14 June	Exhibition open all day
Monday	15 June	Exhibition open all day
Monday	15 June	Break-down activities start at 18.30 CEST – till 20.30 CEST for standard stands, till 23.30 CEST for design stands Detailed time schedule will be given in the Exhibitor Manual (January 2026).

Exhibition Fees

EURO 420.00	per m ² booked and fully paid before 1 February 2026
EURO 455.00	per m ² booked and paid after 1 February 2026
EURO 520.00	handling fee per exhibitor (not related to stand size)
EURO 305.00	electricity (1,5 kW including 2 sockets and consumption)

Electricity Connection & Consumption

An electricity connection is mandatory for all exhibitors and will be charged together with the stand space fee.

The fee for ESHG 2026 is EURO 305.00 for 1,5 kW including 2 sockets and consumption. Details for ordering more than 1,5 kW will be available in the Exhibitor Manual (January 2026).

Included in Exhibition Fees

- Opening Networking Mixer (welcome reception on Saturday evening)
- Refreshments during official coffee breaks (Saturday, Sunday and Monday)
- Access to the Opening Ceremony
- Exhibitor Conference Badges (allowance related to stand size) and one Exhibits Only Badge
- Listing of Exhibitor company name on the conference website, Exhibition page (Company URL: at a fee, see below)
- Listing of Exhibitor company in the conference app
- Listing of Exhibitor company name on the Virtual Platform
- Standard stand construction package:
 - Stand walls 250 cm high, white
 - Company name and stand number on fascia board (in standard lettering)
 - One spotlight per 3 m²
 - Carpet (choice from a number of colours)

Exhibitor Conference Badges & Exhibits Only Badges

Each exhibitor will receive a free allowance of Exhibitor Conference Badges according to stand size. Exhibitor Conference Badges give access to the exhibition & poster areas and to all conference sessions, as well as to the Virtual Platform. Exhibitors can order additional Exhibitor Conference Badges. The fees for the Exhibitor Conference Badges are: EURO 385.00 (early fee), EURO 450.00 (regular fee) and EURO 510.00 (late & on-site fee). Note the deadlines for the early and regular badge fees will be announced in the Exhibitors Manual. Exhibitor Conference Badges are made available exclusively for exhibiting company staff.

In addition, each exhibiting company receives one free Exhibits Only Badge (valid for all three exhibition days). Exhibits Only Badges give access **ONLY** to the exhibition & poster areas and include refreshments served in these areas during official coffee breaks. Additional Exhibits Only Badges can be ordered at the following fees: EURO 110.00 (early fee), EURO 125.00 (regular fees) and EURO 140.00 (late & on-site fee). Exhibits Only Badges may also be ordered for company guests. Further details about these badges, deadlines for early and regular registration fees, order procedures and other important information will be published in the Exhibitors Manual (January 2026).

Company URL

Companies who book stand space will appear on the list of exhibitors on the conference website, Exhibition page: <https://2026.eshg.org>. A URL link from your company name on this list to your company website can be ordered at EURO 205.00. To book: see the Exhibit Application Form.

Conditions of Payment

- Bookings at the early stand space fee (booked + fully paid before 1 February 2026) will be payable as follows:
 - 50% upon reservation of stand space
 - 50% before 1 February 2026
 - Bookings at the late stand space fee (booked + paid after 1 February 2026) will be payable as follows:
 - 100% upon reservation of stand space
 - Rose International will issue an invoice, with full bank details, for each instalment due. Payment of each invoice should reach Rose International before the payment date stated on the relevant invoices. For further important aspects of the conditions of payment, see the General Conditions on pages 4 and 5 of the Exhibit Application Form.
 - The exhibitor is responsible for ensuring that Rose International receives correct and full invoicing details at the time of exhibit space application, including PO (Purchase Order) number if applicable. Default invoice name and address are as filled in by the exhibitor on his/her Exhibit Application Form. Different invoice name/address/VAT number can be filled on the form.
 - If an invoice needs to be re-issued (on the request of exhibitor) with different name/address/VAT details, or other changed details (e.g. PO number), an administration fee of EURO 75.00 per invoice will be charged. This fee will appear on the re-issued invoice, the original invoice will be credited.
 - If payment for space at the early fee is not received before the payment date mentioned on the relevant invoice(s), the exhibitor will receive an additional invoice for the difference between early and late fee without prior notice (EURO 35.00 per m²).
 - All bank costs must be paid by, reversed to the sponsoring company. Any bank costs incurred by Rose International must be reimbursed. Rose International will inform the relevant companies as soon as bank costs are incurred at our end, requesting immediate credit card payment.
- N.B.:** ask your bank how to avoid bank costs for Rose International.

- Check payment **cannot** be accepted.
- Credit card payments are subject to surcharges. For details contact Rose International.

Cancellation Policy

Cancellation of a stand can be made in writing only (e-mail) and is **not valid** until Rose International has confirmed receipt of the cancellation. Rose International General Conditions articles 7 and 11 are applicable.

Currency & VAT

All fees will be **invoiced and are payable in EURO** and are excluding VAT (Swedish or Dutch VAT, as applicable in your situation). If VAT is applied (Swedish or Dutch), the VAT rate at the time of the conference will apply, also on invoices already issued.

General Conditions

By completing and signing the Exhibit Application Form, the applicant declares himself/herself bound by the General Conditions of Rose International (see pages 4 and 5 of the Exhibit Application Form).

Minimum Stand Size

The minimum stand size is 6 m².

Floor Plan, Space Application & Allocation of Stand Locations

The preliminary floor plan and up-to-date overview of stand locations are available from Rose International. Please mark your preferred stand locations (four stand numbers) on the Exhibit Application Form. If all your preferred stand locations are not available, you will be contacted to discuss alternatives.

Exhibit space will be assigned on a “first come, first served” basis upon receipt of the completed Exhibit Application Form and receipt of the corresponding fees (see also important information under Conditions of Payment, in this brochure).

Design Stands - Construction Requirements

Standard stand construction is included in the exhibit space fee (as a package only) and no reduction is given in case a company brings and builds its own stand.

All stands, including design stands, should be constructed with walls on all sides bordering upon other stands. These walls must take up the full depth/width of the stand and must be 2.50 m high exactly, measured from the floor of the exhibition hall. Constructions inside the stand may be higher than 2.50 m but need to be approved by Rose International and should remain at a distance of at least 0.75 m from the stand walls bordering on other stands. Flooring in stands (carpet, wooden floor etc.) and stand lights are mandatory for all stands.

The stand design, showing exact measurements and height (in cm), must be presented to Rose International for approval before 1 April 2026. More information will be given in the Exhibitors Manual (January 2026). If you need specific information at an earlier stage, contact Rose International.

Registration of local agent/distributor as co-exhibitor

Exhibitors may share the stand with their official local distributor/agent for Sweden (one company). The exhibitor will be charged for the co-exhibitor fee of EURO 830.00. This fee covers one Exhibitor Conference Badge for the agent/distributor, their company name on the fascia of the stand and listing in the conference app, as well as on the conference website (Exhibition page) and on the virtual platform.

Please apply for registration of your agent/distributor responsible for the Swedish market on the enclosed Exhibit Application Form.

The exhibition organisers will ask for a statement regarding the relation between exhibiting company and proposed co-exhibitor, as well as their full company and contact details, before reviewing the application.

If you wish to invite more of your agents/distributors on the stand, contact Rose International for details and conditions.

Exhibitors Manual

Detailed exhibit information and instructions, build-up and break-down days and times, as well as order forms and links for services and supplies (stand furniture, audiovisuals, flowers and plants, freight forwarding and storage of empties, Internet, stand catering etc.) will be available in the Exhibitors Manual (January 2026).

Hotel Accommodation

The information about the official ESHG 2026 hotel agent/arrangements will be available on the conference website:

<https://2026.eshg.org/myconference/accommodation/>.

Sponsoring & Corporate Sessions

Companies interested in the sponsorship opportunities, which include time slots during the conference for corporate sessions, advertising, mailings to participants and many more, please contact Rose International to obtain the sponsor programme (ready in October 2025).

The organisation of **social** events (so only events with a social character) is allowed under strict conditions and only on Friday evening 12 June (as of 18.00 CEST) and on Sunday evening 14 June (as of 19.30 CEST) and after approval by Rose International. Please contact Rose International for details. Note: not following these rules will result in exclusion to participate in the next conference, ESHG 2027. All other types of (corporate) events should be held in the corporate session slots made available.

Hybrid Conference

As previous years, the ESHG 2026 Conference will be in the hybrid format again. This means that all, or most, scientific sessions during the in-person conference in Gothenburg will be live-streamed to the ESHG 2026 virtual platform. The recordings (also of the corporate sessions) will be made available On-Demand for 6 months after the conference. The platform will not offer virtual exhibits.

Compliance

The ESHG organises its meetings in compliance with the rules of EFPIA, Eucomed and EACCME with regards to sponsor involvement and recognition. Any (contractual) agreements in contradiction to these rules will be considered void. Remember that company compliance may differ from ESHG compliance.

All companies exhibiting at and/or sponsoring ESHG 2026 are advised to consult the guidelines and codes of practice applicable in Sweden. By signing the relevant application form to participate in ESHG 2026, each company agrees to and confirms that it has reviewed the advice and guidelines which determine the applicable codes of practice in Sweden and that it will be adhering to all relevant codes and accepts all liability in all cases of non-compliance with these codes (such as EFPIA, MedTech Europe, IFPMA).

Not allowed to advertise prescription drugs

Due to a EU Directive, Swedish regulations as well as the pharma codes, it is forbidden to advertise (show, offer or present) any prescription drugs at ESHG, since not all ESHG participants are MD's (prescribers).

European Society of Human Genetics

The European Human Genetics Conference is organised annually by the European Society of Human Genetics – ESHG. For further information on the society, please visit their website: www.eshg.org.

The ESHG is a founding member of the IFHGS - International Federation of Human Genetics Societies.

ESHG Executive Board (2025 - 2026)

President	Martina Cornel	Deputy Secretary-General	Julia Baptista
President-Elect	Angus Clarke	Treasurer	Gunnar Houge
Vice-President	William Newman	Executive Officer	Jerome del Picchia
Secretary-General	Carla Oliveira		

ESHG Scientific Programme Committee – SPC (2025 - 2026, as per date of printing)

Chair	Alexander Hoischen, The Netherlands		
Co-Chair	Alexandre Reymond, Switzerland		
Members	Álvaro Mendes, Portugal	Hans Ehrencrona, Sweden	Nicole Soranzo, Italy
	Ana Osorio, Spain	Hugo Zeberg, Sweden	Rita Barbosa-Matos, Portugal
	Ana Rio-Machin, United Kingdom	Inga Prokopenko, United Kingdom	Sander Pajusalu, Estonia
	Andrea Ganna, Finland	Julia Baptista, United Kingdom	Segun Fatumo, United Kingdom
	Anna Lindstrand, Sweden	Joakim Klar, Sweden	Shahida Moosa, South Africa
	Anna Staffas, Sweden	João Vinagre, Portugal	Siddarth Banka, United Kingdom
	Bjarne Vilhjálmsson, Denmark	Juliana Miranda Cerqueira, Finland	Tina-Marie Wessels, South Africa
	Carla Oliveira, Portugal	Julien Baruteau, United Kingdom	Tiong Tan, Australia
	Christel Depienne, Germany	Juliette Nectoux, France	Tjitske Kleefstra, the Netherlands
	Danya Vears, Australia	Kaitlin Samocha, United States	
	Elfride De Baere, BE	Mahsa Shabani, Belgium	Advisor:
	Francesca Forzano, United Kingdom	Malte Spielmann, Germany	Jerome del Picchia, Executive Officer,
	Gosia Trynka, United Kingdom	Nicolas Chatron, France	Austria

ESHG Annual Meetings Committee – AMC (2025 - 2026)

Chair	Joris Veltman	Advisors:	Jerome del Picchia, ESHG Executive Officer, Austria
President	Martina Cornel		Jana Wacht & Lydia Schnedl, Conference Organiser, Austria
President-Elect	Angus Clarke		Oscar Pacheco, Association Manager, Austria
Vice-President	William Newman		
Chair of the SPC	Alexander Hoischen		Jantie de Roos & Flora van Laer, Sponsoring & Exhibition Management, the Netherlands
Secretary-general	Carla Oliveira		
Deputy Secretary-general	Julia Baptista		
Treasurer	Gunnar Houge		

Conference Organiser

For information on the content of and registration for the European Human Genetics Conference – ESHG 2026, please visit the conference website, see below, or contact the conference organiser directly at:
